

# Bad Habits

GG Allin

Well I swear too much  
I drink too many  
I shoot up and smoke dope  
I'm fucked up honey  
I got bad habits, bad habits And I fuck all the whores  
Black and white  
I molest little girls  
Who are ten and tight  
I got bad habits, bad habits I'm a heifty-tighty bitch  
My heart is so cold  
Spend all my money  
As hard as I go  
I tell you a lie  
Cause I'm a dirty wild bitch  
I'll rape your little sister  
I'm mentally unfit Chorus:  
Whoa, whoa, whoa, whoa  
Don't rock the boat  
Whoa, whoa, whoa, whoa  
Bad, bad, bad  
Bad, bad, bad... Habits! I steal too much  
I shoot my guns  
Get thrown outta bars  
I'm rowdy all the time  
I got bad habits, bad habits All the pigs that know me  
They wanna lock me away  
But I'm an evil wild slut  
They'll never tame me  
Bad habits, bad habits It's my bloody suicide  
I'm not afraid to die  
I abuse my body, cut my skin  
Til it bleeds with a knife  
I'll piss on your hide  
Cause I just don't care  
You think I'm fuckin' around  
You best step over here Chorus Habits! Bad habits, bad habits  
Bad habits, bad habits Chorus I suck panty hose  
Beat my dick all day  
I fuck my sister

When the folks are away  
I got bad habits, bad habits I'm livin' on the edge  
I get in trouble all day  
I get into fights  
With the boys on the streets  
Bad habits, bad habits Repeat Verse Three Chorus Habits!...habits and I like it  
Fuck you
