

Glass House

Bee Gees

Glass house, that once was mine , the sun will shine in on me

You, change your mind, you weren't the kind to live on me

I remember yesterday , turn my tears to laughter

Then you left and like a stray, I came running after I remember you at night, palm trees softly swaying

I remember all the words you were softly saying Glass house upon the hill so big and still, the shady lane

It's ours , my love , until the day we say auf wiedersehen
