Take It Out On The Dancefloor

Sam Bailey

When your life don't work out the way you planned,
Think no one understands 'bout nothing
All you need is someone to say you can
Get through the hard been do somethingThrough the haze, yeah, I can see the light,
I need to loose myself tonight, it's alright
When you're feeling you can't take anymore
Say what you waiting for
Let's take it out on the dancefloor
Take my hand and don't turn back
Just take it out on the dancefloor
Take it out on the dancefloorGet lost X4Your world crumbles before your very eyes
It comes as no surprise you're running
Your heart beats faster
Your temperature will rise
That's when you feel that Friday's comingThrough the haze, yeah, I can see the light,
Ohh yeah
I need to loose myself tonight, tonight yeah
When you're feeling you can't take anymore
Say what you waiting for
Let's take it out on the dancefloor
Take my hand and don't turn back
Just take it out on the dancefloor
Take it out on the dancefloorGet lost X4Take it out on the dancefloor
Take it out on the dancefloor
Take it out on the dancefloor
Take it out on the
Take it out on the
Take it out on the dancefloor
Take it out on the dancefloor
Take it out on the dancefloor
Take it out on the dancefloorGet lost X4When you're feeling you can't take anymore
Say what you waiting for
Let's take it out on the dancefloor
Take my hand and don't turn back
Just take it out on the dancefloor
Take it out on the dancefloorGet lost X4
