

All or Nothing (K-Klass Klub Mix)

[Cher](#)

I've been standing out in the rain
I've been calling your name
Got that lonely feeling again
Calling out your name
Do you hear me? Do you want me? Baby it's all or nothing now
I don't want to run
And I can't walk out
You're breaking my heart
If you leave me now
Don't want to wait for ever
Who do you think you're fooling
Who do you think you're fooling
Baby it's all or nothing
Baby it's all or nothing now I've been trying to get to your heart
But I'm chasing shadows
We keep falling further apart
So near and you're so far
Do you care now? Do you know how? Baby it's all or nothing now
I don't want to run and I can't walk out
Breaking my heart if you leave me now
Don't want to wait forever
Who do you think you're fooling
Who do you think you're fooling
Baby it's all or nothing
Baby it's all or nothing now
