

So You Win Again

Hot Chocolate

Just to admit one mistake
That can be hard to take
I know we've made them fall
But only fools come back for more
Being the fool I am
I figured in all your plans, darling
Your perfumed letters didn't say
That you'd be leaving any day[Chorus]
So you win again, you win again
Here I stand again, the loser
And just for fun you took my love and run,
But love had just begunI can't refuse her
But now I know that I'm the fool
Who won your love to lose it all
When you come back, you win againAnd I'm not proud to say
I let love slip away
Now I'm the one who's crying
I'm a fool there's no denyingWhen will my heartache end?
Will my whole life depend on fading memories
You took the game this time with ease[Chorus: x 2]
