I Don't Believe It

Hedley

Just give me one good reason, just one to stop me leaving
'Cause I can't think of anything at all
The shock is wearing off and we'll both be better off when
I pick myself up and drop you on the floor
Maybe I'm better off this way
With one less hole inside my brain
You'll never get the best of me, never again
'Cause I'm not gonna be your whipping boy
You're not gonna run around on me
And I don't believe this is happening to me this way
I don't believe it
(Whoa oh, whoa oh)
I don't believe it
(Whoa oh, whoa oh)
I know you knew my brother and now you know all my friends
I didn't know that you knew them all that well
You got me looking stupid so this where it all ends
You pushed me too far one too many times
Maybe I'm better off this way
With one less hole inside my brain
You'll never get the best of me, never again
'Cause I'm not gonna be your whipping boy
You're not gonna run around on me
And I don't believe this is happening to me this way
I don't believe it
(Whoa oh, whoa oh)
I don't believe it
(Whoa oh, whoa oh)
There was a time I'd give up
Anything to hold your hand
But I'm wide awake you're a big mistake
I'll never make again
'Cause I'm not gonna be your whipping boy
You're not gonna run around on me
I get off work an hour early to wait up for you until 3
And I don't believe this is happening
I can't believe this is happening
I don't believe this is happening to me this way
I don't believe it

(Whoa oh, whoa oh)
I don't believe it
(Whoa oh, whoa oh)
I don't believe it
(Whoa oh, whoa oh)
I don't believe it
(Whoa oh, whoa oh)
I don't believe it
