

Dearest

The Black Keys

Dearest

Though you're the nearest to my heart
Please don't ever, ooh yea, ever say we'll part

You scold me, and you were so bold

Together, our love will grow old

Our love will grow old

You may be a million miles away

Please believe me when you hear me say

I love you

I love you

Come home

Keep me from these sleepless nights

Try my love again, ooh, I'm gonna treat you right

I'm gonna treat you right

I'm gonna treat you right (x2)
