In Your Letter

REO Speedwagon

In your letter, ooh, in your letter
In your letter, ooh, in your letter
In your letter, ooh, in your letter
In your letter, ooh, in your letterIn your letter you said you didn't love me
You said you're gonna leave me
But you could've said it betterOh, in your letter, you said you couldn't face me
You said you could replace me
But you could've said it betterYou could've left him only
For an evening let him be lonely
But you hid behind your poison pen and his prideYou could've told him something
And proved to me you don't love him
But you hid behind your future full of lies
Oh, in your letterOo, you could've left him only
For an evening let him be lonely
But you hid behind your poison pen and his prideYou could've told him something
And proved to me you don't love him
But you hid behind your future full of liesOh, in your letter you said you didn't love me
You said you're gonna leave me
But you could've said it betterOh in your letter, you said you couldn't face me
You said you could replace me
But you could've said it better
Oh, in your letterIn your letter, ooh, in your letter
In your letter, ooh, in your letter
In your letter, ooh, in your letter
In your letter, ooh, in your letterIn your letter, ooh, in your letter
In your letter, ooh, in your letter
In your letter, ooh, in your letter
In your letter, ooh, in your letterIn your letter, ooh, in your letter
