

# The Quiet Place

## In Flames

Spinning, further deeper  
I know you're out to try me  
I'm not in this to be a slave  
Push the dirt, make me feel  
Locate what swallows life  
Night bird you build my world

The night close my eyes (and then I close my eyes)

Judge me now  
Used to be afraid to let it show, bow down  
A king in my own mind  
Everything's in place  
So much brighter from today

Drown the monster  
Make all bad dreams go away  
Whatever takes to keep running free  
Open scars  
The quiet place  
The bridges fall to the ground  
And you say you sacrificed

The night close my eyes  
(and then I close my eyes)

Judge me now  
Used to be afraid to let it show, bow down!  
A king in my own mind  
Everything's in place  
So much brighter from today

Judge me now  
The king in my own mind  
Judge me now  
The king in my own mind

Judge me now  
Used to be afraid to let it show, bow down  
A king in my own mind

Everything's in place  
So much better from today  
A king in my own mind
