

Forever and a Day

Silverstein

I thought we'd be
Together forever
But it seems
I was wrong And everything
Has fallen apart Think of what
I've done for you
Think of all
That we've been through I hope, everytime
He breaks your heart
You think of me And how I was to you
Everything
Has fallen apart
Everything One day you'll see
Just how good I was
One day you'll see
Just how good I was And I thought that we'd be
And I thought that we'd be
Together forever And I thought that we'd be
Together forever
And I thought that we'd be
