Warmth

Officer Negative

How do I know love?
When I've learned to rock my self
Rock myself
To be held in your arms
Please cradle my heart
I want my head against your chest
To hear the beating of your heart
So warmWarm arms of love
Cold shadows of your absence
Rock my self
Rock my self
Warm words of affection
Cold screams still echo Rock
my self Rock
my self
Warm arms of love
Cold shadows of your absence
Rock my self
Rock my selfno warmth...
