

Crossfire (Radio Edit)

Brandon Flowers

There's a still in the street outside your window
You're keepin' secrets on your pillow
Let me inside, no cause for alarm
I promise tonight not to do no harm
I promise you baby, I won't be no harm
And we're caught up in the crossfire
A heaven and hell
And were searching for shelter
Lay your body down
Lay your body down
Lay your body down
Watching your dress as you turn down the light
I forget all about the storm outside
Dark clouds roll their way over town
Heartache and pain came pouring down like
Chaos in the rain, yeah
They're handing it out
And we're caught up in the crossfire
Heaven and hell
And were searching for shelter
Lay your body down
Tell the devil that he can go back from where he came
His fiery arrows drew their beat in vein.
And when the hardest part is over we'll be here
And our dreams will break the boundaries of our fears
Boundaries of our fears
Lay your body down
Next to mine
