

# Leave Me Alone (feat. Shay. Lia)

# KAYTRANADA

Can't deny or lie  
Boy, you blew my mind  
But I'm tired of my heart being broken  
And my love being taken for granted  
I gave you all I had  
So crazy  
How you wasted my time  
How you reached the borderline  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
There was a time I used to say "boy, I want you"  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
And there was a time I used to say "boy, I need you"  
Leave me alone, go away leave me alone  
Sorry baby, no time for this  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
Leave me alone, go away leave me alone  
There was a time I used to say "boy, I want you"  
And there was a time I  
used to say "boy, I need you"  
Sorry baby, no time for this  
So crazy  
Are you wasting my time, are you reaching for  
Are you  
Are you reaching the borderline?  
Producer, beatmaker, now, I'd say at the moment, probably Kaytranada  
I think he's, he's on that exact sort of thing that we like  
You know, the musicality meeting the beats  
You know, from the chords and the basslines, and the rhythms  
You know, it's, and I mean, you probably agree, you know, he's (shout to Kaytranada anytime)  
The whole Mon- (yeah, that whole, that whole Montreal scene)
