

Ocean Soul

Nightwish

One more night
To bear this nightmare
What more do I have to say Crying for me was never worth a tear
My lonely soul is only filled with fear Long hours of loneliness
Between me and the sea Losing emotion
Finding devotion
Should I dress in white and search the sea
As I always wished to be - one with the waves
Ocean Soul Walking the tide line
I hear your name
Is angels whispering
Something so beautiful it hurts Long hours of loneliness
Between me and the sea I only wished to become something beautiful
Through my music, through my silent devotion Losing emotion
Finding devotion
Should I dress in white and search the sea
As I always wished to be one with the waves
Ocean Soul
