

I'm a Flirt

R. Kelly Ft. T.I.

I?m a, I?m a, I?m a, I?m a flirt
Soon as I see her walk up in the club I?m a flirt
Winkin? eyes at me when I roll up on them dubs I?m a flirt
Sometimes when I'm with my chick on the low I?m a flirt
And when she's with her man lookin? at me damn right I?m a flirt
So homie don't bring your girl to meet me ?cause I?m a flirt
And baby don't bring your girlfriend to eat ?cause I?m a flirt
Please believe it unless your game is tight and you trust her
Then don't bring her 'round me because I?m a flirt
Now I swear to tell the truth and the whole truth
When it comes to hoes I be pimpin? like I supposed to
Rollin? like I supposed to, shinin? like I supposed to
In the club fuckin? with honeys like I supposed to
I don't understand when a nigga bring his girlfriend to the club
Freakin? out on the flo' with his girlfriend in the club
And wonderin' why all these players tryin' to holla at her
Just soon as she go to the bathroom nigga I?m gon? holla at her
A dog on the prowl when I'm walkin? through the mall
If I could man, I probably would flirt with all of y'all
Yeah yeah homey, you say she your girlfriend
But when I step up to her, I?ma be like Tarzan
Believe me mayne, this is how them players do it in the Chi
And plus we got them playerette flirts in the Chi
Now the moral of story is cuff yo' bitch
?Cause hey, I'm black, handsome, I sing, plus I'm rich
And I?m a flirt
Hey homie, if you ain't gettin no money
You better keep her away from me, ya dig?
Well if you love ya girl and wanna keep ya girl
Don't be walkin? up and askin? me to meet ya girl
Because I'm well enough a flirt when I speak to ya girl
She winked her eyes on the sly, I sent ya girl
Better treat your girl right 'cause another man will
Better eat ya girl like another man will
'Cause you leave your wife and I see ya wife
That be for real, how long you think that's finna be ya wife?
When I'm livin? the life, you just gettin' it right
Your old lady look at me ?cause you ain't hittin' it right
She probably used to like you 'cause you the business type

That's until I came along and put some dick in her life
Wanna say, had an ass, lick a dick in the lights
And I noticed she was checkin? me and diggin? the ice
And if I get that tonight, better hit that twice
I could even make her mine if I hit that right
You know smack that thang, sit that right
Up on that dress, say yeah that's right
Pullin? on her hair like we gettin? in a fight
Yeah I know it's kinda tight but it'll spread just right
So if yo girl sexy and she pass me
Don't be upset G ?cause you might catch me
Tryin? to catch a glance up her skirt
Then we playin? in reverse
If I see her and I like her then I'ma flirt
When I, when I, when I
When I pull up to club all the shawties be like, ?Damn! 28's!?
Then I be like, "Girl you know just who I am, don't hate"
Say I done fell in love wit a stripper y'all
All I do is flirt with her and I get them drawers
And I don't need no help, I got it down pact
Teddy Pain was born to flirt now you can't down that
Now I'ma flirt whether I'm in or out of town
That's why they call me Teddy ?Bend-Her-Ass-Down?
I be like, ?
