Come on and pump and do the Jamaican dance
Music for the world, keep the music pumpin and the people are jumpin.

Are you ready to let loose?

Rick LP, Elephant Man and Konshens in the house.

Are you ready to party?!

Oh oh oh - I just want to see you smile

Oh oh oh - If only for a little while

Oh oh oh - Let the music put you in a trance

Oh oh oh - Come on and pump and do the Jamaican dance Verse 1: Tonight we'll all be drinking the rum

Tonight we'll invite all our friends to come

Tonight we're gonna party till the rising sun

And it just goes on and on and on

Tonight the palm trees will sway to the beat

Tonight we'll dance in the sand in bare feet

Tonight you and I will be complete

And will just go on and on and on

Sunshine, girls in bikini's and pina coladas

Man that's the life

Oh we play all day long, but we live for the night Chorus: Oh oh oh - I just want to see you smile

Oh oh oh - If only for a little while

Oh oh oh - Let the music put you in a trance

Oh oh oh - Come on and pump and do the Jamaican dance

Oh oh oh - Just let all your worries go

Oh oh oh - Come on and do it nice and slow

Oh oh oh - Let the music put you in a trance

Oh oh oh - Come on and pump and do the Jamaican dance Verse 2:

Tonight I know that there's one for me

Tonight we'll all sing the melody

Tonight like two hearts in harmony

Tonight there'll be no one else for me Chanting: Watch di gyal dem ah mash-up di place,

Oh oh oh - Come on and pump and do the Jamaican dance
Cause soon it will be everywhere
Cause once it starts it never stops
We Jump up, we fall down
We jump up, jump up all night long
Oh oh oh - I just want to see you smile
Oh oh oh - If only for a little while
Oh oh oh - Let the music put you in a trance

Oh oh oh - Just let all your worries go
Oh oh oh - Come on and do it nice and slow
Oh oh oh - Let the music put you in a trance
Oh oh oh - Come on and pump and do the Jamaican dance
From the east and the west and the north to the south,
I love the way the ladies move all about,
You got to move your body, cause you know your sexy,
In the musical party.
Come on and pump and do the Jamaican dance
