Let Me Try

MC5

I'll be your singer
You'll be my song
I'll lay you down softly
I'll love you long
I'll be there
To keep you satisfiedIf you'll only let me try, hey hey
Let me try, hey hey, yeahYou've been neglected
You've been abused
But I'll give you pleasure
Deep inside of you
I'll always be near
Right there by your sideIf you'll only let me try, hey hey
Let me try, hey hey, yeahLet me try, hey hey
Let me try, hey hey, yeahI'll play you like music
I'll sing you like a song
I'll lay you down gentle
I'll love you strongI'll dry your teardrops
Each time you cry
Wrap you in my arms
Set you on fireIf you'll only let me try, hey hey
Let me try, hey hey, yeahI'll be your singer
You'll be my songLa da da da
La da da da
La da da da
