Never Surrender

Triumph

Out in the streets inspiration comes hard
The joker of the deck keeps handin' me his card
Smilin' friendly he takes me in
Then breaks my back in a game I can't winJivin', hustlin', what's it all about?
Everybody always wants the easy way out
Thirty golden pieces for the Judas kiss
What's a nice boy doin' in a place like this?Never surrender
Keep your dreams alive
Never surrender
Hold your head up highModern apathetics, you got plenty of nothing to say
Some are born to follow, some will make their own way
Today you found a hero tomorrow you'll forget
You're looking for a convenientTruth you haven't found it yet
You don't make commitments no time for regrets
You never take responsibility
Don't you know that part of you is a part of me?Never surrender
Keep your dreams alive
Never surrender
Hold your head up highNever surrender, it's easier said than done
But you got to finish what's already begun
Never, that's forever, seems like such a long time
But I only got one life to live, it's gonna be mineNever surrender
We cannot be denied
Never surrender
Spread your wings and fly
