

# It Came Out Of The Sky

## Ccr (creedence Clearwater Revival)

Oh, it came out of the sky  
Landed just a little south of Moline  
Jody fell out of his tractor  
Couldn't believe what he seen Laid on the ground and shook  
Fearin' for his life  
Then he ran all the way to town screamin'  
"It came out of the sky" Well, a crowd gathered 'round  
And a scientist said, "It was marsh gas"  
A spirit came to make a speech  
About raisin' the Mars tax The Vatican said, "Woe, the Lord has come"  
Hollywood rushed out an epic film  
An' Ronnie the popular said, "It was a communist plot"  
Oh Oh, the newspaper came  
And made Jody a national hero  
Walter and Eric said  
They'd put him on a network TV show The White House said  
"Put the thing in the Blue Room"  
The Vatican said, "No, it belongs to Rome"  
And Jody said, "It's mine but you can have it for seventeen million" Oh, it came out of the sky  
Landed just a little south of Moline  
Jody fell out of his tractor  
Couldn't believe what he's seen Laid on the ground a shakin'  
Fearin' for his life  
Then he ran all the way to town screamin'  
"It came out of the sky"  
Oh
