

# Serious as a Heart Attack

Johnny Winter

Hear me talking to ya baby  
I'm serious as a heart attack  
If you don't stop the thing's you're doin'  
I'm gonna turn your blue eyes black You never stay at home and you  
Keep your business in the street  
You don't do no dirty clothes and there's  
Never nothin' here to eat Well girl this love affair is  
Pretty close to ruin  
Every time I try and do ya, oh  
You say nothin' doin' You never stay at home and you  
Keep your business in the street  
You don't do no dirty clothes and there's  
Never nothin' here to eat You're the kind of woman  
Would feel right at home in hell  
Ya stick me with a pitchfork  
Just to hear me yell You never stay at home and you  
Keep your business in the street  
You don't do no dirty clothes and there's  
Never nothin' here to eat
