Katydid

Will Stratton

Why don't you tell me what's wrong, baby?
I'll do all I can.
And if it's about where we're heading,
maybe, you have the wrong man.
Cause' I can see for miles
when the sun is up,
but it's midnight and I can't see at all.
It's so hard and I can't think at all.
It's so hard and I don't think we're working out.
If you ever got the time, darling.
Why don't you give me a call.
I just want to say I'm so sorry.
I never knew it all.
It's alright.
We're so stupid and we're young.
Love is blind,
it was words that really stung.
