

# Break Ya Back

## Avant

This is so amazing, got my heart racing.  
The way it goes down, not afraid to say you can take charge.  
Got my eyes in the back of my head while I'm seeing stars.  
It sounds like you're ready, girl. for daddy, girl.  
An we don't have to prolong, in fact we can get a track  
And do it to the sound of a hand clap Let me handle that ooh just how you like it babe.  
I can give you what you lack, don't take it in a negative way.  
Baby it's a fact, when we get up in the sack, I'm gonna break ya back in a good way. Stop, then we start again.  
I can hear ya moaning.  
And were not alone yes, I can see our shadows on the wall, moving gracefully. There's people in the other room,  
but I don't really give a damn baby.  
I've been really missing you and I am sick and tired of waiting  
Forever, whenever baby, I am definitely ready.  
We can role play and make it a game. Let me handle that ooh just how you like it baby.  
I can give you what you lack, don't take it in a negative way.  
Baby it's a fact, when we get up in the sack, I'm gonna break ya back in a good way. Let me handle that ooh just  
how you like it baby.  
I've been thinking about it all day. (ooh)  
Baby it's a fact, when we get up in the sack, I'm gonna break ya back in a good way. Baby ring the alarm, we  
bout to get it on.  
I'll do whatever it takes just to keep you satisfied.  
You don't have to worry about a thing, cause were going all night. Let me handle that ooh just how you like it  
baby.  
I can give you what you lack, don't take it in a negative way.  
Baby it's a fact, when we get up in the sack, I'm gonna break ya back in a good way. Let me handle that ooh just  
how you like it baby.  
I can give you what you lack, don't take it in a negative way.  
Baby it's a fact, when we get up in the sack, I'm gonna break ya back in a good way. Let me handle that ooh just  
how you like it baby.  
I can give you what you lack, don't take it in a negative way.  
Baby it's a fact, when we get up in the sack, I'm gonna break ya back in a good way. (Well be making love)  
(Loving ya baby)
