

# Videothèque (Rerecorded)

## Dollar

When the VJ shoots the beam  
I take my partner from the screen  
And hold her close, I hold her close  
One more chance to make it right  
Holding hands in black and white  
I'll meet you there, I'll meet you there  
Leave my mind back in my room  
Maybe I will blow it soon and fall in love

At the videothèque (the videothèque)  
We can dance forever  
At the videothèque (the videothèque)  
We control it all  
At the videothèque (the videothèque)  
Ghosts are only lovers on the screen

Only pictures on the wall  
They don't mean a thing at all  
And I don't care  
When the visions start to form  
The same illusion takes us all  
And you are there, you are there  
Slowly senses leaving me  
Once the two are in 3D, we play the game

At the videothèque (the videothèque)  
We can dance forever  
At the videothèque (the videothèque)  
We can fall in love  
At the videothèque (the videothèque)  
Ghosts are only lovers on the screen

At the videothèque (the videothèque)  
We can dance forever  
At the videothèque (the videothèque)  
We can fall in love  
At the videothèque (the videothèque)  
Ghosts are only lovers on the screen

(The videothèque)

(The videotheque)  
(The videotheque) only ghosts are lovers on the screen  
(Videotheque)
