Justified

Jon Waltz

It's all over now
I just got wasted for you
Oh I ain't sober now
Pour me a drink, pour me two
I just went all night, all night
I feel so dazed and confused
I just went all night, all night
I'm wildin' out cause of you
Oh baby noI, been talking crazy and
I, heard everything that you
Said, I saw the tape that you
Made, I saw the look on your Face, I can't believe it
The way, you led me on girl
The taste, your lipstick
Had me singing all night long
You are a melody
I hear you all the time
It really gets to me
It's always on my mind
You are my favorite song
Your love is justified
You play me all the time
Your love is justifiedI know you probably is watching me
Know how to get to me, ooh
Crawling right under my skin, oh no
Stop acting brand new
No I can't act, can't pretend
No I can't run, can't hide
No matter how much I try
Your always right by my side
Oh baby no
I, been talking crazy and
I, heard everything that you
Said, I saw the tape that you
Made, I saw the look on your Face, I can't believe it
The way, you led me on girl
The taste, your lipstick
Had me singing all night longYou are a melody
I hear you all the time

It really gets to me
It's always on my mind
You are my favorite song
Your love is justified
You play me all the time
Your love is justified
You are a melody
I hear you all the time
It really gets to me
It's always on my mind
You are my favorite song
Your love is justified
You play me all the time
Your live is justifiedYour love is simple baby
You been on my mi-i-ind
And since you're watching me
I do it all the ti-i-ime
And since you say you love me
It's justifi-i-ied
It's justified
