Pink Ego Box

Muse

It's gonna be ok Can't afford another day At 50 bytes per secondI've never seen your face I've never heard your voiceBut I think I like it When you instant message me With a promise I can feel it I can tell you're gonna be Just like meMy eyes are gonna strain My heart is feeling pain At 50 beats per secondI've never seen your eyes I've never heard your liesBut I think I like it When you instant message me With a promise I can feel it I can tell you're gonna be Just like me Just like meYou tell You tell You turn on me
