# The Man Comes Around

## DevilDriver

And I heard as it were the noise of thunder
One of the four beasts saying "come and see"
And I saw, and behold a white horseThere's a man going around taking names
And he decides who to free and who to blame
Everybody won't be treated all the same
There will be a golden ladder reaching down
When the man comes aroundThe hairs on your arm will stand up
At the terror in each sip and in each sup
Will you partake of that last offered cup?
Or disappear into the potter's ground
When the man comes around
Hear the trumpets, hear the pipers
One hundred million angels singing
Multitudes are marching to the big kettledrum
Voices calling, voices crying
Some are born and some are dying
It's alpha's and omega's kingdom comeAnd the whirlwind is in the thorn tree
The virgins are all trimming their wicks
The whirlwind is in the thorn tree
It's hard for thee to kick against the pricksWhoever is unjust, let him be unjust still
Whoever is righteous, let him be righteous still
Whoever is filthy, let him be filthy still
Listen to the words long written down
When the man comes around
Hear the trumpets, hear the pipers
One hundred million angels singing
Multitudes are marching to the big kettledrum
Voices calling, voices crying
Some are born and some are dying
It's alpha's and omega's kingdom comeAnd the whirlwind is in the thorn tree
The virgins are all trimming their wicks
The whirlwind is in the thorn tree
It's hard for thee to kick against the pricksIn measured hundredweight and penny pound
When the man comes around
When the man comes around
The virgins are all trimming their wicks
When the man comes around
