

Three Words, Two Hearts, One Kiss

Billy Gilman

For a straight-a student who knows so much
You don't know nothin' 'bout love
Well you and me make history
There's no two hearts like us We'll go on, pretend
You can't figure it out
Well if there's any doubt Let me spell it out for you, honey
You don't want to miss
The perfect combination of
Three words, two hearts and one kiss
Three words, two hearts and one kiss I know where I'm supposed to be
A heart beats right on time
I don't know why you're holdin' back
When you're the first in line We better catch this train
Waitin' on the tracks
'Cause it might not come back Let me spell it out for you, honey
You don't want to miss
The perfect combination of
Three words, two hearts and one kiss, oh Three words that say, I love you
Two hearts that beat as one, oh And oh let me spell it out for you, honey
You don't want to miss
The perfect combination of
Three words, two hearts, one kiss
The perfect combination of
Three words, two hearts
Three words, two hearts and one kiss, ooh yeah
