

# Giant Peach (Live on KEXP)

## Wolf Alice

I got change in a pocket somewhere  
Got my letter in the box  
Tired of waiting for the bus to nowhere  
And tired of chasing the stone fox  
I don't tell lies no more, you know  
I just don't tell the truth  
I don't know what I'm looking for, ya know  
But I'm not looking for proof I have a tricky love affair, you know  
With the place where I grew up  
But it knows I'll never leave, ya know  
I never left it much  
I hate to see it despair, oh, don't you do it  
I hate to see it screw up  
But it knows I can hardly grieve  
When it's hard to give a, hard to give a... wow! What keeps me here?  
It's not the boy giving the funny feels  
Don't know what keeps me here  
It's not the P to pay for the wheel  
What the hell keeps me here?  
In this dark old town that I adore  
The rules don't seem so clear  
And change, it feels like fear, it's all you know  
Our dark and pretty town  
Our dark and pretty town  
Our dark and handsome town  
Our dark and pretty town  
My dark and pretty town
