

# Diamonds To Dust

[Don Williams](#)

Love is a question that few understand  
It runs like a river between a woman and man  
But it's course can get twisted  
It's bed can run dry And a heart become desert in the wink of an eye  
Once there was loving once there was trust  
Once it was honest and open and just  
Our love was a diamond that grew between us But time can turn even diamonds to dust  
Diamonds to dust oh diamonds to dust  
Time can turn even diamonds to dust Uh huh uh huh  
Time is a teacher it's kind and it's cruel  
It gives you the wisdom to see you're a fool  
And it gives love and takes love It hurts and it heals  
And it never parts easy with the truth it reveals  
Diamonds to dust oh diamonds to dust  
Time can turn even diamonds to dust Diamonds to dust oh diamonds to dust  
Time can turn even diamonds to dust  
Uh huh uh huh uh huh uh huh
