

CreepShow

Proton Kid

I'm from a land called secret Estonia
 Nobody knows where it's at
 Nobody knows where it's at
 Nobody knows where it's at
Ice cream mountains and chocolate skies
 Nobody knows where it's at
 Nobody knows where it's at
 Nobody knows where it's at
 Welcome to the creepshow
 Welcome to the creepshow
 Welcome to the creepshow
 Welcome to the, welcome to the
 Welcome to the creepshow
 Welcome to the creepshow
I'm from a land called Secret Estonia
 Nobody knows where it's at
 Nobody knows where it's at
 Nobody knows where it's at
Cinnamon houses and licorice flies
 Nobody knows where it's at
 Nobody knows where it's at
 Nobody knows where it's at
 Welcome to the creepshow
 Welcome to the creepshow
 Welcome to the creepshow
 Welcome to the, welcome to the
 Welcome to the creepshow
 Welcome to the creepshow
