You Don't Love Me Anymore

"Weird Al" Yankovic

We've been together for so very long
But now things are changing, oh I wonder what's wrong?
Seems you don't want me around
The passion is gone and the flame's died downI guess I lost a little bit of self-esteem
That time that you made it with the whole hockey team
You used to think I was nice
Now you tell all your friends that I'm the AntichristOh, why did you disconnect the brakes on my car?
That kind of thing is hard to ignore
Got a funny feeling you don't love me anymoreI knew that we were having problems when
You put those piranhas in my bathtub again
You're still the light of my life
Oh darling, I'm begging
Won't you put down that knife?You know, I even think it's kinda cute the way
You poison my coffee just a little each day
I still remember the way that you laughed
When you pushed me down the elevator shaftOh, if you don't mind me asking, what's this poisonous cobra
Doing in my underwear drawer?
Sometimes I get to thinking you don't love me anymoreYou slammed my face down on the barbecue grill
Now my scars are all healing, but my heart never will
You set my house on fire
You pulled out my chest hairs with an old pair of pliersOh, you think I'm ugly and you say I'm cheap
You shaved off my eyebrows while I was asleep
You drilled a hole in my head
Then you dumped me in a drainage ditch and left me for deadOh, you know this really isn't like you at all
You never acted this way before
Honey, something tells me you don't love me anymore
Oh no no
Got a funny feeling you don't love me anymore
