You Don't Love Me Anymore

"Weird Al" Yankovic

We've been together for so very long But now things are changing, oh I wonder what's wrong?

Seems you don't want me around

The passion is gone and the flame's died downI guess I lost a little bit of self-esteem

That time that you made it with the whole hockey team

You used to think I was nice

Now you tell all your friends that I'm the AntichristOh, why did you disconnect the brakes on my car?

That kind of thing is hard to ignore

Got a funny feeling you don't love me anymoreI knew that we were having problems when

You put those piranhas in my bathtub again

You're still the light of my life

Oh darling, I'm begging

Won't you put down that knife? You know, I even think it's kinda cute the way

You poison my coffee just a little each day

I still remember the way that you laughed

When you pushed me down the elevator shaftOh, if you don't mind me asking, what's this poisonous cobra Doing in my underwear drawer?

Sometimes I get to thinking you don't love me anymoreYou slammed my face down on the barbecue grill Now my scars are all healing, but my heart never will

You set my house on fire

You pulled out my chest hairs with an old pair of pliersOh, you think I'm ugly and you say I'm cheap You shaved off my eyebrows while I was asleep

You drilled a hole in my head

Then you dumped me in a drainage ditch and left me for deadOh, you know this really isn't like you at all You never acted this way before

Honey, something tells me you don't love me anymore

Oh no no

Got a funny feeling you don't love me anymore
