

Diamond Ass

White Zombie

Asylum erotica, yeah
I said the ones
On the wheels
Doomsday machinist
Flying out the window
She's looking strange Nowhere to nowhere
Diamonds, she's got what it takes
Diamonds forever
You'd be surprised, come on
Baby, get it in gear
Stone-face and raw meat Nowhere to nowhere
Diamonds projected
From above
A dead astronaut returns
Buried in 'sixty-nine Brain is all crystallized
More horrible than before
Parasite sucking style
Hey, yeah, man, it's out of sight
Anti-Christ service, hey
Yeah, man, it's out of sight
