

# Scream for Me

## Electric Eel Shock

Scream for me baby! 1.. 2.. 1, 2, 3, 4! Everything I say

I am the answer

Do you believe?

Just hardly to eat Where am I

Daytime or nighttime?

I don't care

I go my way Scream for me baby!

Look for the answer

Scream for me baby!

I am the answer When I am high

My axe is acid

We are Alone

We don't need you Where are you?

I see you hiding

You don't care

You go your way Scream for me baby!

Look for the answer

Scream for me baby!

I am the answer

Yeah! Scream for me baby

\*solo\* Ok, come on!

1.. 2.. 1, 2, 3, 4! Everything I say

I am the answer

Do you believe?

Just wait and see Where am I

Daytime or nighttime?

I don't care

I go my way Scream for me baby!

Look for the answer

Scream for me baby!

I am the answer

Yeah! Scream for me baby!
