

# Wild

## Jessie J

(feat. Big Sean)

[Verse 1]

If I go hard let me tell you that itâ€™s worth it  
Play the right cards, I ainâ€™t afraid to work it  
Brush them right off when they say I donâ€™t deserve it  
Hands on my heart, you keep my fire burning

[Bridge]

Oh it feels so crazy when you scream my name  
Love it when you rock me over every day  
When I think about it I could go insane  
And we are as beautiful, Iâ€™m blown away

[Chorus x2]

If this is a dream, wonâ€™t open my eyes  
Am I asleep? No Iâ€™m alive  
I just canâ€™t believe that this is my life  
In my fantasy, weâ€™re running wild

[Verse 2]

When it gets rough and the rain starts pouring  
I turn up the heat â€™cause the drama ainâ€™t important  
Let â€™em all talk-talk, Iâ€™mma just ignore it  
Hands on my heart, you keep me moving forward

Oh it feels so crazy when you scream my name

[Rap - Big Sean]

B I G Sean don, OK

Today I woke up feeling like the mayor  
Spent about an hour looking in the mirror  
As I should, as much as I been through  
Itâ€™s a wonder I look this damn good  
Probably make it out any situation  
That you try to put me into  
If I swim with the piranhas guaranteed  
That Iâ€™mma probably have a fish dinner  
Met a young girl with a sexy shape  
But like Jessie J, that we escapade where itâ€™s extra shade

She make me wanna give and not take like collection plates  
Wow, all the awards, brawls, call, wall to wall was all a mirage  
And I could lose it all tonight  
Just to show the world I could do it twice, live my life

[Chorus x2]

If this is a dream, won't open my eyes  
Am I asleep? No I'm alive  
I just can't believe that this is my life  
In my fantasy, we're running wild

[Rap - Dizzee Rascal]

! double the dollar  
On my jetsettin' rhythm, more hits than a white collar  
But I can't be buffed, flow tight like Bob Marley's locks (I can't be dropped)  
I'm at the peak and I can't be touched, I'm wil out  
! I can't be stopped  
Pull up the gnarly!  
Opposite of calmly, I bet I get the party hard, I can't be bluffed  
Ten years plus runnin' the game, you brothers just come in the game  
But now I'm coming again, to get the people goin', !insane  
100,000 people going bonkers when I'm out in the rain  
Women on shoulders, ! shouting my name  
I'm willing to reign, why would I complain?  
I thought I was the boy in the corner  
But I'm in the penthouse and your boy is a baller  
I believe in

[Chorus x2]

If this is a dream, won't open my eyes  
Am I asleep? No I'm alive  
I just can't believe that this is my life  
In my fantasy, we're running wild

Wild wild w-whoa (x4)
