Revelations

Holyhell

Echoes of silence
Call the shadowed soul
Into the depths unknownThe blackest moonlit sky
Lights up the night
Like a bleeding haloBeyond the light
Beyond the darkest night
There is a lifeWhen the halo lights
On wings of shadow, fly, fly!Shades of sorrow
Cast the spell of hope
Deep into the coldA resurrected life
Cannot bare the silence once lost
Now that I knowBeyond the light
Beyond the darkest night
There is a life[Chorus:5x]
When the halo lights
On wings of shadow fly, fly!
