

# Sure on this shining night

[Morten Lauridsen](#)

Sure on this shining night of star-made shadows round,  
kindness must watch for me this side the ground,  
on this shining night, this shining night

Sure on this shining night of star-made shadows round,  
kindness must watch for me this side the ground,  
on this shining night, this shining night

The late year lies down the north

All is healed, all is health

High summer holds the earth, hearts all whole

The late year lies down the north

All is healed, all is health

High summer holds the earth, hearts all whole

Sure on this shining night,

sure on this shining, shining night

Sure on this shining night

I weep for wonder wand'ring far alone

Of shadows on the stars

Sure on this shining night, this shining night

On this shining night, this shining night

Sure on this shining night
