

Girls Just Want To Have Fun

The Maine

I come home in the morning light
My mother says when you gonna live your life right
Oh mother dear we're not the fortunate ones
And girls they want to have fun
Oh girls just want to have fun
Girls just want to have fun
Girls just want to have...

That's all they really want (x 6)

The phone rings in the middle of the night
My father yells what you gonna do with your life
Oh daddy dear you know you're still number one
But girls they want to have fun
Girls just want to have fun
Girls just want to have fun
Oh girls just want to have...

That's all they really want (x 6)

Oh girls they want to have fun
Girls just want to have fun
Girls just want to have fun
Oh girls just want to have...

That's all they really want (x 6)

Some boys take a beautiful girl
Hide away from the rest of the world
I want to be the one to walk in the sun!

When the working day is done (x 2)
