

Dear Sergio (Acoustic)

Streetlight Manifesto

Run, run, run, all you do is fucking run
But you'll never run away from yourself
I know it's hard but you've been there before
You know I'm gonna be there again I don't care what the stars may say
They always feed their bullshit to me
It's kind of sad how you lost what you had
You're never gonna have it again And so said, "Hey Sergio
It's getting kind of hot in here"
And so I said, "Hey Sergio"
It's getting kind of hot in here"
And so I said, "Hey" Every other day you don't care what they say
'Cause they always leave you two steps behind
You try to smile and it lasts for a while
But they always send you back to the start Eenie, meenie, miney, mo
They shoot down everyone you know
And then they leave you there all alone
You wish they'd stop but they never give up
And you know deep inside that you're stuck So I said, "Hey Sergio
It's getting kind of hot in here"
So I said, "Hey Sergio"
It's getting kind of hot in here"
And so I said, "Hey" Sergio laughed for the last time today
He said, Doesn't really bother me
We all have dues to pay
Like a man that's cut off at the knee
He hobbles and hobbles 'cause nothing is free So wake up, wake up, wake up
But don't cry because you'll fuck up your make up
And if you do, you won't get laid
You won't make money, no, you won't get paid And you act so free, you act so free
Everybody's happy because you act so free
Well, you might fool them
But you can't fool me with your mindless chatter
I don't need them, I don't need help
I don't even need to see the end Hey Sergio, it's getting kind of hot in here
And so I said, "Hey Sergio"
It's getting kind of hot in here"
And so I said, "Hey"
