Ed mann (percussion)  
Scott thunes (bass)  
Chad wackerman (drums)His name is stevie vai  
And he's a crazy guy  
Last november, I recall,  
He needed a spankingHe decided then  
A female specimen  
Would be excitin' for a night  
To give him a spankingLaurel was her name  
She came to notre dame  
He told me just the other day  
He oughta be thanking  
Her for the spankingShe was large and soft  
And she beat him off  
Made him drool upon his dork  
And gave him a wanking  
After the spankingHair brush!  
Oh! what a hair brush!  
(it's not that he requires grooming!  
Guys with light blue hair never do!)Then she did explain:  
There's another game  
That we can play with this device,  
And then a banana!It was slightly green  
Vapors in between  
Rising up to fill the room  
And cook the bananaShe said it was dry  
Stevie won't you try  
To drool a little drool on it  
And grease the bananaLater in the dawn  
Laurel carried on  
She got right up and dressed herself and  
Ate the banana
