## Deap Vally

I'm so sorry Julian  
but you've caught me at the wrong time  
So sorry Julian  
When are you free so I can say goodbye  
I'm true sorry Julian We never should have crossed that line  
Oh don't you call me back Julian  
So that I can tell you not to waste your time  
This is no true romance  
We're not in love so let's just dance  
I'm so sorry Julian  
There's someone else in the equation I'm so sorry Julian  
This is a sticky situation  
I'm so sorry Julian  
I didn't take my medication  
I'm so sorry Julian  
I'm really gonna miss your admiration This is no true romance  
We're not in love so let's just dance  
This is no true romance  
We're not in love so let's just dance  
Come on now  
Come on now  
This is no true romance  
We're not in love so let's just dance
