

(They Long to Be) Close to You

Burt Bacharach

Why do birds suddenly appear
Every time you are near
Just like me, they long to be
Close to youOn the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust
In your hair of gold
And starlight in your eyes of blueThat is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you
Just like me, they long to be
Close to youClose to you, you
Can I get close to you, to you
