

Almost Paradise

Loverboy

I thought that dreams belonged to other men
'Cause each time I got close they'd fall apart again
I feared my heart would beat in secrecy
I face the nights alone, oh how could I have known
That all my life I only needed you Oh, almost paradise we're looking on heaven's door
Almost paradise, how could we ask for more?
I swear that I could see forever
In your eyes paradise It seems like perfect love's so hard to find
I'd almost given up you must have read my mind
And all these dreams I saved for a rainy day
They're finally comin' true I'll share them all with you
'Cause now we hold the future in our hands Oh, almost paradise we're looking on heaven's door
Almost paradise, how could we ask for more?
I swear that I could see forever
In your eyes paradise And in your arms salvations not so far away
It's getting closer, closer every day Almost paradise, we're looking on heaven's door
Almost paradise, how could we ask for more?
I swear that I could see forever
In your eyes, paradise, paradise, paradise
