

# Love Has Gone Away

## The Spinners

Love God, send me an angel from up above  
Someone who can make mountains out of a hill of love  
They say you can hunt everything  
So just send me someone I can depend on Love has gone away  
Love has gone away  
Love has gone away to stay Love God, make me real happy 'cause I feel sad  
Can't go on living in sorrow all of my chosen days  
Show me a sign and I'll give you time  
Time to look around in heaven for me 'cause my Love has gone away  
Love has gone away  
Love has gone away to stay Show me a sign, I'll give you time  
All the time that you need, baby  
Time to look around in heaven for me Love has gone away  
Love has gone away  
Love has gone away to stay Love has gone away  
Love has gone away  
Love has gone away to stay Love has gone away  
Love has gone away  
Love has gone away to stay Love has gone away  
Love has gone away  
Love has gone away to stay Love has gone away  
Love has gone away  
Love has gone away to stay  
Love has gone away to stay
