

Hard Love (feat. Lauren Daigle)

NEEDTOBREATHE

Trading punches with the heart of darkness
Going to blows with your fear incarnate
Never gone until it's stripped away
A part of you has gotta die today In the morning you gon' need an answer
Ain't nobody gonna change the standard
It's not enough to just feel the flame
You've gotta burn your old self away Hold on tight a little longer
What don't kill ya, makes ya stronger
Get back up, 'cause it's a hard love
You can't change without a fallout
It's gon' hurt, but don't you slow down
Get back up, 'cause it's a hard love You know the situation can't be right
And all you ever do is fight
But there's a reason that the road is long
It takes some time to make your courage strong Hold on tight a little longer
What don't kill ya, makes ya stronger
Get back up, 'cause it's a hard love
You can't change without a fallout
It's gon' hurt, but don't you slow down
Get back up, 'cause it's a hard love When the wolves come and hunt me down
I will face them all and stand my ground
'Cause there's a fire burnin' in me
They will see my strength in this love I found
Oh Hold on tight a little longer
What don't kill ya, makes ya stronger
Get back up, 'cause it's a hard love
You can't change without a fallout
It's gon' hurt, but don't you slow down
Get back up, 'cause it's a hard love It's a hard love, it's a hard love, it's a hard love, it's a hard love
Oh, it's a hard love, it's a hard love, it's a hard love, it's a hard love
Oh, it's a hard love, it's a hard love, it's a hard love, it's a hard love Hold on tight a little longer
What don't kill ya, makes ya stronger
Get back up, 'cause it's a hard love
You can't change without a fallout
It's gon' hurt, but don't you slow down
Get back up, 'cause it's a hard love
'Cause it's a hard love
