

# I Need Your Lovin'

Conway Twitty

Love, love, gimme some love and make  
Love, love, gimme some love and make Gimme me some love, I need your lovin'  
Gimme some hug, I need your huggin'  
Gimme some love, I need your lovin' bad Gimme some kiss and gave it gladly  
Baby, I miss it, your lovin' badly  
So give me some lovin', I need your lovin' bad Well, please tell me, baby, what I wanna know  
If you still love me then tell me so  
If you still want me, I'll be around  
Please, please, baby, don't let me down Gimme some love, I need ya, honey  
Well, I got the car, I got the money  
So give me some lovin', I need your lovin' bad Gimme me some love, I need your lovin'  
Gimme me some hug, I need your huggin'  
Gimme some love, I need your lovin' bad Gimme me some kiss and give it gladly  
Baby, I miss it, your lovin' badly  
So give me some lovin', I need your lovin' bad Well, please tell me, baby, what I wana know  
If you still love me then tell me so  
If you still want me, I'll be around  
Please, please, baby, don't let me down Gimme me some love, I need your lovin'  
Gimme me some hug, I need your huggin'  
Gimme some love, I need your lovin' bad Gimme me some kiss and give it gladly  
Baby, I miss it, your lovin' badly  
So give me some lovin', I need your lovin' bad Well, please tell me, baby, what I wanna know  
If you still love me then tell me so  
If you still want me, I'll be around  
Please, please, baby, don't let me down Gimme some love and give it gladly  
Baby, I miss your lovin' badly  
So give me some lovin', I need your lovin' bad
