

Cheryl, Cheryl, Bye

Red Sleeping Beauty

It's the thought of knowing that you're living with someone

It's the thought of knowing that you'll never be the one

It's time to move on now

Cheryl, Cheryl, Bye

Cheryl, Cheryl, Bye

Cheryl, Cheryl, Bye

You've said yours and here comes mine

It's the combination of not knowing where to go

And seeing that the road you're on is leading a no

Cheryl, Cheryl, Bye

Cheryl, Cheryl, Bye

Cheryl, Cheryl, Bye

You've said yours and here comes mine
