

Without God

Katatonía

Human birds watch the sky
Where dark formations sail
Infecting the area of God
Jhva elohim meth I am God, creator of life
I am God, enchanter of death
Death that now marks you
Life that slowly pass away Screams of fear, dismembering the wind
Helpless souls drowning in pain
But storms of dawn
A dawn without your fucking God My spirit filled with hate sets free
The force of the golden dawn
Without God
Entomb your fear The spirit is free
Jhva elohim meth
Satan laughs
Jhva elohim meth I raise my fist to the sky
Swear the ancient oath of black
The lambs shall bleed, eternally bleed
God is dead and shall forever be I am God, creator of life
I am God, enchanter of death
Death that now marks you
Life that slowly pass away Screams of fear, dismembering the wind
Helpless souls drowning in pain
But storms of dawn
A dawn without your God My spirit filled with hate sets free
The force of the golden dawn
Oh, without God
Entomb your fear The spirit is free
Jhva elohim meth
Satan laughs
Jhva elohim meth I raise my fist to the sky
Swear the ancient oath of black
The lambs shall bleed, eternally bleed
Your fucking God is dead, shall forever be
