

# Mary Anne

## Marshall Crenshaw

It isn't such a crime  
It isn't such a shame  
It happens all the time  
You shouldn't take the blame  
Go on and have a laugh  
Go have a laugh on me  
Go on and have a laugh  
At all your misery  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne  
I'm thinking of you  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne, Mary Anne  
You take a look around  
And all you seem to see  
Is bringing you down  
As down as you can be  
Go on and have a laugh  
Go have a laugh on me  
Go on and have a laugh  
At how bad it can be  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne  
I'm thinking of you  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne, Mary Anne  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne  
I'm thinking of you  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne, Mary Anne  
You take a look around  
And all you seem to see  
Is bringing you down  
As down as you can be  
Go on and have a laugh  
Go have a laugh on me  
Go on and have a laugh  
At all your misery  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne  
I'm thinking of you  
Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne, Mary Anne  
I really wanna tell you  
Mary Anne, Mary Anne  
Mary Anne, Mary Anne
