

Do I

Kajagoogoo

(VERSE 1)

All caught up in a crazy dance
Living on rhythm and circumstance
All washed up, cant you see?
Thats your problem!
Make a change in our hum-drum lives
To re-awake and realize
Were all living on a... time bomb!
Thats gonna blow us to pieces(BRIDGE)

Pressures on, heart attack
Science fiction is science fact
Watch your backs, when the bullets fly
Thats our problem!(CHORUS)

So do I, how do I, when do I do wrong?
Take a look, take a look around town
Get get get along down

Now do I, how do I, when do I do wrong?
Hey hey hey yeah, no no no yeah
So do I, how do I, when do I do wrong?
Sing it out, sing it sing it out loud

Come on, come on, come on yeah now(VERSE 2)

Crazy peoples right to speak
Pushing and a shoving
On a one way street
Thats enough, I draw the line
Go to sleep for a long long time
Blinkers on, straight ahead
Button my lip, thats what I said
Listening, I can't justify

Oh, the pain in me I cry(BRIDGE)

Pressures on, heart attack
Science fiction is science fact
Watch your backs, when the bullets fly
Thats our problem!(REPEAT CHORUS)
So do I, how do I, when do I do wrong?
Take a look, take a look around town
Get get get along down
Now do I, how do I, when do I do wrong?
Hey hey hey yeah, no no no yeah

So do I, how do I, when do I do wrong?
Sing it out, sing it sing it out loud
Come on, come on, come on yeah now(INSTRUMENTAL MIDDLE BREAK)(FINAL CHORUS)
So do I, how do I, when do I do wrong?
Take a look, take a look around town
Get get get along down
Now do I, how do I, when do I do wrong?
Hey hey hey yeah, no no no yeah
So do I, how do I, when do I do wrong?
Sing it out, sing it sing it out loud
Come on, come on, come on yeah now
Do I, how do I, when do I do wrong?
Sing it out, sing it sing it out yeah
Come on come on come on yeah now do I!
